Who is God?

Isaiah 45: 5 – 6

We all believe that God exists although no one has ever seen Him because God has no physical form. And there is only one true God in this world, and the true God is the one that the Bible teaches us and not by science or man-made statues.

When we believe God exists, we have to also understand “Who is God?”. Though we cannot see God, we can understand who God is because the Bible teaches us who God is.

Who is the God we believe in? The God we believe in is the God that created the universe and humans. The God who creates us. The God that Christians believe in is the God that saves us and gives us eternal life. The God who loves us humans dearly, who loves us to the point of willingly sacrificing His one and only son Jesus Christ to save us humans from sin.

Who Created God?

Isaiah 44:6

We might often think, “Who created God?”. All living things in this world, including us humans, are created by God, and so who created God? God was not created because He is not a creation.

There was no one who created God because God has always existed on His own. Humans and other living things have beginnings and ends in this world, which is birth and death, but God does not have a beginning and an end because God is not limited by space and time. God is eternal and no one created Him.

Why Do We Have to Know God?

John 17:3

We believe that God exists, and only foolish people would say that God does not exist, as written in Psalms 14:1 "The fool says in his heart, "There is no God."". After believing God exists, we also have to get to know the God we believe in. Why do we have to get to know God? It is because knowing the true God that is taught to us by the Bible, is the only way for us to be saved and have eternal life through Jesus Christ.

We have to get to know God because after knowing God, we will better understand the humans created by God, and thus understand ourselves better. Let us understand God better, so we may love even more the God who loves us.

To Do:

Think about what are the ways that can help us understand God better? Name two of them.

How to Know God?

Hosea 6:3

When we love someone, we definitely know them well and want to get to know them better. When we love God, let us learn to know God better. How exactly can we know God better? First, we definitely have to believe in God. As Christians, we also have to believe in Jesus Christ, the God who saves us.

Second, we get to know God through the Bible. We can only learn about the true God through the Bible and not any other books.

Third, we can get to know God through prayer. When we pray, we are talking to God.

Fourth, we need to be in fellowship with others of similar faith to grow together to know God. Be in fellowship together with others of the same faith through church services or Sunday school and through fellowship in Church. Our God is a God who wants to be known. Let us continue to learn to know our God.

**To Pray:**

Father in Heaven, thank you for You are a God who wants to be known, and so because of that I got to know You. Help me to have a heart that will always want to know You more and more. In the name of Lord Jesus, I pray. Amen.

**To Do:**

Starting from today let us get to know God better by praying and reading the Bible everyday with all our hearts and not because we are forced to.

The Existence of God

Psalms 19:2

Is there anyone who has ever seen God? No! That is because God has no physical form, which means that God does not have a body like humans. God has no physical form because He was not created. God is not a creation, and God has existed before this world. Though God has no physical form and cannot be seen, we know that He exists. How do we know that God exists? One of the examples, through God's creations in this world, through the nature around us. When we see the sky we can see the clouds, the horizon, the sun, the moon, the stars, and the galaxy; all those are not made by humans. We know that those are all God's creations. And all these creations show that God exists. Let us believe and only worship God.

To Pray:

Father in Heaven, thank you for letting me know You exist through your creations in this world. You are the God that is present for me, my family, and my friends. Help me to always be faithful in worshipping You. In the name of Lord Jesus, I pray. Amen.

To Do:

In the morning, look at the sun. Through the shining sun, we know that God exists because God created and commands the sunrise and sunset. Or when there is wind, feel the breeze. Wind cannot be seen, but we know it exists. Similarly, though God cannot be seen, He exists.

God is Spirit

John 4:24

We cannot see God because He is spirit. We can have relationships with other people as we can see one another. How can we have a relationship with God whom we cannot see because He is spirit? Even though we cannot see God, we can still have a relationship with Him. We have a relationship with God not only through our five senses, but also through our heart and soul. In today's Bible reading, John told us that we can have a relationship with God through spirit and truth.

When we pray, when we read the Bible, we are having a relationship with God. Let us give thanks that sinful people like us can have a relationship with God, even though He is invisible.

To Do:

Memorize John 4:24

The Attributes of God

Romans 1:19

Even though God cannot be seen, God has attributes such as love, faithfulness and goodness. God also gives these attributes to humans. While human attributes can change — for example from evil to good, or from good to evil — God's attributes will never change.

Not all of God's attributes are given to humans. Some are only found in God, such as Almighty, Omniscient, Omnipresent, Perfect and Sovereign. All of God's attributes show us what kind of God we believe in.

2. Write down those attributes.
3. Pray that God will help you to act on them, and do not forget to put them into action.

The One and Only God

Mark 12:29

Our God is the One and Only God! There is only one true God in this world. There is only one God who created this world, humans and other living things.

Knowing that there is only one true God is important to prevent us from worshiping false gods. Many people worship false gods: man-made statues.

The Bible teaches us that the true God is the One and Only God, the God who reveals Himself in three persons: God the Father, God the Son (Jesus Christ), and God the Holy Spirit; we call them the Triune God. The Triune God is the One and Only God, the true God that the Bible teaches us about.

Answer:

To Pray:

Father in Heaven, thank you that You are in this world as the One and Only true God. Please help me to only believe in You, and not in other gods, because You are the One and Only God. In the name of Lord Jesus, I pray. Amen.

To Do:

Promise to only believe in the one God taught in the Bible.

The Eternal God

Isaiah 40:28a

Do you know, apart from being the One and Only God, our God is the eternal God? The eternal God means that God has no beginning or end. God has no beginning as He was not created by anyone. God has existed before the world and humans, because God is the One who created the world and humans. And God has no end because God will continue to exist even after the world vanishes and humans die.

Remember that God is the only One who is eternal in this world, nothing else is eternal. Objects are also not eternal as they can get destroyed. No animal or human is eternal as we will all die eventually. Even the world will one day vanish. Only God cannot be destroyed, will not die, and will not vanish because He is the eternal God.

To Seek Deeper:

If the world vanishes or all humans die, will God still exist? Why?

Father in Heaven, thank you that I can learn that God is eternal, and for giving me the eternal God, the God who will always be with me forever. In the name of Lord Jesus, I pray. Amen.

The Perfect God

2 Samuel 22: 31a

Perfection means that there is no flaw, and no mistakes at all. We all definitely long for perfection. For example, during an exam, we want a perfect score. However, no one is perfect in this world, and we will never be perfect, because perfection belongs only to God.

Imperfect humans need the perfect God. Because our God is the perfect God, He is perfect in His plans, actions, and all things, without any flaw. God and perfection is one, so the perfect God is not dependent on anything at all and needs nothing outside Himself.

To Pray:

Father in Heaven, thank you because I have the perfect God, and Your perfection will always care for me, protect me, and teach me. Help me to live a righteous life as You are the perfect God. In the name of Lord Jesus, I pray. Amen.

To Do:

Memorize 2 Samuel 22:31a

A Holy God

Isaiah 5:16b

What does 'holy' mean? Holy means pure, free from sin. No human being is holy because we have all sinned. But there is one — and only one — who is holy. Who is He? He is God! God is holy, which means He is pure and spotless, God has never sinned and will never sin. Everything God does is right.

In the Bible, the word "holy" means set apart or dedicated. Because God is holy, He hates sin and cannot be with sin. God also cannot allow us, His children to commit sin. As the prophet Isaiah says in the Bible verse that we read, the Holy God shows Himself holy in righteousness.

Because God is holy and cannot allow His children to sin, people who sin will surely be punished. Since God is holy and we are His children, we must also live holy lives and no longer continue to sin.

To Seek Deeper:

What holy things can we do, or what sins can we stop doing, as children of God? Write down two or three examples.

To Pray:

Father in Heaven, thank you that I can know the holy God. Please help me to live a holy life and to keep my heart, my mind, and my life holy because I have the holy God. Help me to not sin anymore. In the name of Lord Jesus, I pray. Amen.

To Do:

Write your answers to the question above on a piece of paper. Then make a promise that you will live a holy life, no longer continue to sin, and do the things you have written down.

A Wise God

James 1:5

Our God is a wise God. All of God's will is according to His wisdom and not according to human wisdom or thinking. However, humans often cannot understand, or even do not want to accept, that God is wise, especially when His wisdom and His will are different from what humans desire.

Humans who have fallen into sin do not understand God's wisdom with their own thinking. We must ask God to help us understand His wisdom. Wisdom does not come from knowledge, but must come from God. That is why James encouraged us to ask God for wisdom because God is the source of wisdom.

To Seek Deeper:

What does it mean that God is the source of wisdom?

Answer:

.....

**To Pray:**

Father in Heaven, thank you for You are the source of all the wisdom and everything You do is full of wisdom. Help me to have a humble heart to ask for wisdom from you. In the name of Lord Jesus, I pray. Amen.

**To Do:**

Have you ever prayed and asked for wisdom from God? If not, starting today, pray and ask God to give you wisdom.

God is Sovereign

Psalms 115:3

Have you ever made plans, for example, what you were going to do today, where you wanted to go, or what you wanted to eat—but because something happened, you could not carry out those plans? Sometimes our plans do not turn out the way we want because we are not sovereign over our own lives or even over what we will do. Only God is sovereign.

To be sovereign means that God has complete authority and control over everything. God rules over nature, and He is sovereign even over natural disasters. He is sovereign over every living creature in this world and over all people, including our own lives. Nothing happens in this world or in our lives that is not within God's sovereign rule and plan. Even when we go through difficult times, God is still sovereign over those difficulties. God's sovereignty cannot be limited by anyone or anything.

Having a sovereign God, a God who rules over everything that happens in this world, is our strength, our comfort, and our joy as God's children.

To Seek Deeper:

What does it mean that God is sovereign? Does God's sovereignty have any limit? Why?

Answer:

.....

.....

.....

.....

To Pray:

Father in Heaven, thank you because You are sovereign over everything that happens in this world and in the lives of my family, my friends, and me. Help me to always remember that I have a sovereign God, who controls everything that happens in this world. In the name of Lord Jesus, I pray. Amen.

To Do:

Think about something that happened this week that was difficult for you to accept. Pray so that you trust that God is sovereign even over that situation.

In the Bible, especially in the Old Testament, there are many stories about God making promises with humans. First, God made a promise to Adam and Eve. He commanded them to have children and fill the earth. But afterwards Adam and Eve fell into sin, God promised to send Jesus Christ, who would save people from sin.

After that, God promised Noah that He would never again send a flood to destroy humans. God also promised Abraham that He would give him many descendants. Then, through Moses, God promised the people of Israel that He would give them the Promised Land if they obeyed Him.

Every promise God makes begins with God Himself, and God always keeps His promises. God makes promises because He loves people and does not want them to perish. Every promise God gives is for our good and is an expression of His love for humanity.

To Seek Deeper:

What is God's purpose in making promises?

Answer:

To Pray:

Father in Heaven, thank you for loving man so much that You make promises to us. Thank you for being a faithful God who always keeps Your promises. Please help me to love You more because You have first loved me. In the name of Lord Jesus, I pray. Amen.

To Do:

Have you ever made a promise to God? Has that promise been fulfilled? If not, keep it as soon as you can, and pray that God will help you be faithful in keeping your promise to Him.

God has a Purpose

John 4:34

Our God is a God of purpose. This means that in everything He does, God does not act randomly or carelessly. Instead, He acts according to His plan and purpose. Everything God wills has a purpose, and His purpose is for people, so that they will not perish.

Because everything God does has a purpose for us, we need to know and understand what God's will is. Oftentime it is difficult for us to understand God's will, so we need to ask God to help us understand it.

Even though understanding God's will can often be difficult, nonetheless as God's children we should learn to understand it because our God is a God who acts with purpose, not thoughtlessly. We can understand God's will by reading the Bible and by praying. A true Christian is someone who seeks to know and understand God's will.

To Seek Deeper:

How can we understand God's will?

Answer:

.....

.....

.....

.....

To Pray:

Father in Heaven, thank you because You are not a God who acts thoughtlessly, but a God who has a plan and a purpose. Thank you because everything You do is for the good of people. Please help me to understand Your will. In the name of Lord Jesus, I pray. Amen.

To Do:

Is there something about God's will that is difficult for you to understand? If so, keep praying and ask God to help you understand it.

Besides having a will, God is also a God who gives revelation to mankind. Then, what is that revelation? Revelation refers to God communicating or letting His will be known to mankind. Hence the revelation of God is solely based on His will and sovereignty, not because of the requests from mankind. In the Old Testament, God uses the prophets to reveal His will. In the New Testament, God uses Jesus Christ to reveal His will. God reveals His will because He does not want mankind to sin and perish. God wants us to repent and return to Him after receiving His revelation. God gives us revelation as He loves mankind; He loves us.

**To Pray:**

Father in Heaven, thank you for You do not want us to perish and give us revelation so we can repent. We thank you for Your willingness to reveal Your will to us. Help me to value Your revelation. In the name of Lord Jesus, I pray. Amen.

**To Do:**

Think of what it means that God gives His revelation and write it in your own words.

The Jealous God

Exodus 34:14b

We are taught that we should not be jealous. For example, being jealous of our siblings or friends, as jealousy is a bad trait; jealousy usually comes from wanting something that is not ours. However, why does the Bible state that God is a jealous God? Isn't jealousy bad? God's jealousy certainly has a different meaning compared to human jealousy. God is not jealous because He desires what is not His, nor because He is envious; rather, it is because God is the owner of mankind and the entire universe. God is jealous because He desires that mankind, who belong to Him, worship only Him, so that they may love and remain faithful to Him alone. Let us continue to be faithful to God for our God is a jealous God.

Why is God jealous?

To Pray:

Father in Heaven, thank you because You have loved us deeply, who belong to You. Thank you for loving me so much and I am Yours. Help me to refrain from worshiping other gods and making You jealous. Help me to be faithful to You. In the name of Lord Jesus, I pray. Amen.

To Do:

Think, why can't we be jealous but God can?

The Unlimited God

Psalms 145:3

Have you ever experienced this: even though you have studied very hard, there is still so much you do not know, and it is impossible to know everything in this world? We all must have experienced this; because we are limited humans. Only God is unlimited. The Psalmist proclaims “Great is the LORD, and greatly to be praised, and his greatness is unsearchable”. For God is unlimited, His greatness is unsearchable.

An unlimited God means that there is nothing at all that controls God; because He is the perfect God. Our God is a God who is not limited by time, meaning He is eternal; He exists forever. God is not limited by space either; He is everywhere for He is spirit. God is not limited by anyone or anything. Amazingly, this unlimited God is our God.

To Seek Deeper:

Why is God unlimited? “God is not limited by time and space”, what does this mean?

To Pray:

Father in Heaven, thank you because I have an unlimited God, a perfect God. Father in heaven, help my limited self to continue to surrender and rely on You who is unlimited. In the name of Lord Jesus, I pray. Amen.

To Do:

List down things that mankind is limited in. If you have already done so, remember that mankind is limited but God is unlimited.

Have you ever had a friend who suddenly changed? For example, your friend did not want to play with you anymore, you would definitely feel very sad. Maybe you yourself changed and did not want to play with your friend anymore. Do you know that this would really hurt your friend's heart? Everyone can change; your friend can change, you can change too; but is there someone who cannot change? Yes! That is God. Just like what is written in Malachi 3:6a, "For I the LORD do not change".

God does not change and God cannot change for He is an eternal God. God does not change; He is the same yesterday, today, tomorrow and forever more. Although we sin and make God sad, God's love never changes. However, we must pray for forgiveness for our sins.

God does not change; His love, His promise, His providence, His justice, His goodness, His faithfulness and all of the other God's nature does not change; these will always be found in God. God's nature, mentioned above, is eternal for God does not change.

To Seek Deeper:

What does it mean by "God doesn't change"?

Answer:

To Pray:

Father in Heaven, thank you for You will never change. Although I sadden Your heart by sinning, You continue to love me and forgive me if I confess my sins. Thank you for Your eternal love, faithfulness, and providence to me. In the name of Lord Jesus, I pray. Amen.

To Do:

List down at least 10 characteristics of God's nature that will not change.

The Almighty God

Genesis 17:1b

A king or a president definitely has power. They have power over the people and the nation that they lead. However, their power is limited as they are humans. No man can have power over everything in this world or over everyone. No man is almighty.

Do you know who is Almighty? Being Almighty means that there is only one that is in power. Yes, only God is Almighty. God has the power to do anything in His will; there is nothing that cannot be done through God's power; nothing is impossible to be done by God. God's power is guided only by His own will. All living creatures, including man and even the devil, are under His power. Only God's power is unlimited for God is Almighty.

What is the difference between God's power and the power of man?

Father in Heaven, thank you for You have power over this world. I believe that Your power is used only for the benefit of man, for my benefit. Help me in times of difficulty, when I am in sadness or even in joy. Help me to remember that I have an Almighty God. In the name of Lord Jesus, I pray. Amen.

To Do:

Pray for one difficulty that you want to surrender to God, for God has power over all things.

The All-Knowing God

Psalms 139:2

Are you able to know what your friends, siblings, or what your parents or teachers are thinking of? If they do not tell you about it, you surely would not know. Are you able to know the exam questions you are going to take? If your teachers do not tell you, surely you would not know.

We are not all knowing, there are many things that we cannot possibly know, but our God is an all-knowing God. That means that God knows everything and everyone, and God's knowledge is perfect. There is nothing that God does not know, in fact God knows how many strands of hair we have on our head. We do not know how many strands of hair are on our heads. If we were to count how much hair we have, maybe we would never be able to finish counting because the number is simply too great. But God knows the number. In fact, when we sin and think that no one knows, God knows about it too. The Psalmist who wrote Psalm 139 says that God knows when we are sitting or standing, and God understands our thoughts from afar. God knows our thoughts, our heart's desire, body, what we are thinking or doing, and what will happen in the future because He is all-knowing.

What do us humans not know but God knows?

Answer:

To Pray:

Father in Heaven, thank you because You are the God that knows everything, even how much hair is on my head. Help me to have the thoughts and the heart to do good deeds because God is all-knowing. In the name of Lord Jesus, I pray. Amen.

To Do:

Think of things that only God is able to know.

The Righteous God

Psalms 57:11

Think, what any wrongdoing have you done yesterday or today? Wrongdoings are not good, and we commit them through our words, actions or thoughts. Doing them means we commit sin. If we think about it, we have done many wrongdoings, so many that we may not even be able to count. But God has never done any wrongdoing, because He is righteous.

God is righteous because He is holy. The righteousness of God means that He has never done any wrongdoing and cannot accept wrongdoing. If we do something wrong, we will be punished. The righteousness of God is also shown as God always keeps His promises with man if we want to live in the righteousness of God.

To Pray:

Father in Heaven, thank you that I can know and trust a God who is righteous. Help me so that I may not sin and always live a righteous life. In the name of Lord Jesus, I pray. Amen.

To Do:

Admit the unrighteous things you have done today, then pray and ask for forgiveness from God.

The Omnipresent God

Leviticus 26:12

Have you ever wished to be at multiple places at the same time? Of course, we cannot be at multiple places at the same time because we only have one body. But God is able to be everywhere because God is spirit and omnipresent. This means that God is not limited by space and time.

There is not one place in this world where God is not present. In fact, God is present in our lives. His omnipresence is our comfort. His presence shows us that we are never alone on this earth. Remember the verse we have just read, "And I will walk among you and will be your God, and you shall be my people." God will be with us forever and wherever we are, because God is omnipresent.

To Seek Deeper:

What is our comfort as the children of God?

Answer:

To Pray:

Father in Heaven, thank you because God is always with me, whenever and wherever. When I am feeling afraid or lonely, help me remember that God is always with me. In the name of Lord Jesus, I pray. Amen.

To Do:

Have you ever felt afraid or lonely? When was that? If you feel afraid or lonely, remember that God is always with you as He is omnipresent.

God is Always Faithful

Psalms 103:8

Have you ever been betrayed by someone? You must have felt very sad. Or have you betrayed someone before? The person you betrayed would surely feel very sad. Betrayal means that you are not loyal or faithful. Someone who is loyal will always be with us, and will never leave us. Everyone, our friends, and even we ourselves can betray others and be disloyal. Only God is forever faithful, and is forever with us.

God's faithfulness is shown when God forgives us, after we confess our sins. God's faithfulness is also shown when He punishes us for our sins. And God's faithfulness is shown when He never leaves us, even though we leave Him. If we had left God, then regretted and repented, and wanted to return to Him, God who is faithful will still accept us as He is full of love and mercy.

To Seek Deeper:

How is God's faithfulness shown to us? Do you know the meaning of Emmanuel? If not, find the answer.

To Pray:

Father in Heaven, thank you because You are a God who is faithful and will never leave me. Help me to always be faithful to You, to my father and mother, siblings and my friends. In the name of Lord Jesus, I pray. Amen.

To Do:

Write the word 'Emmanuel' and the sentence " God is with...(write your name)" and write the date on a piece of paper. Keep it well and choose a place where you can keep it, so that you can read it anytime.

Who do you love the most in this world? Say their names. You can say a few names, or even many names. We have love for others, because God loves us and teaches us how to love. We have love, but God is love, as written in 1 John. Love comes from God. There is only one source of love in this world, God. This is why He is Love.

Your love towards your parents, your siblings, your friends and the people in your life and their love for you, all comes from God. God's greatest act of love for man was sending His only son, who is Jesus Christ, to die on the cross to bear our sins. Because God loves us, we also have to love; we have to love God and others. Our love towards God can be shown by obeying His commands. We can show our love towards others by helping and not hating one another.

To Pray:

Father in Heaven, thank you because You have loved me and given me the greatest love, Lord Jesus Christ for me. Help me to love You and others. Help me not to hate others. In the name of Lord Jesus, I pray. Amen.

To Do:

Is there anyone whom you hate or who is hard to love? Ask for forgiveness from God as you have hated him/her, and ask for God's help to help you love him/her. Draw a heart and write the names of the people you hate inside the heart to help you remember that you have to love them.

Try to think, are there any humans on earth who do not breathe? There isn't, right? That is because if humans do not breathe, they would have been dead. And breath is given by God to all humans, to those who are good and even evil. God gives breath to all humans because God is good. Matthew 5:45 writes that God makes his sun rise to the good and the evil. God sends rain to those who are righteous and wrong. There is a lot of goodness that God has given to everyone, to those who are good and evil.

God's goodness to us humans, will not change, and the ultimate form of God's goodness because You have been good to all humans to perish because of sin, hence God sends Jesus, His only son to earth to redeem us from our sin by dying on the cross, to save humans, to save us. Let us be thankful to God because He is good and His goodness will last for eternity.

To Pray:

Father in Heaven, thank you because you have been good to all humans, to those who are good and evil, and You are good to me. Thank you because Your goodness will not change or decrease. Please help me to do good to those around me, and to those who are evil towards me. In the name of Lord Jesus, I pray. Amen.

To Do:

Think about what goodness you can do for those around you and do so. Think about what goodness you can do for those whom you love and do so. Think about what goodness you can do for those who have committed evil towards you and do so.

Why do we have judges and the police? Because people who commit crimes have to face trial, and a judge or a policeman is God's representative to carry out justice in this world, and humanity's justice comes from God. However judges and police can be unjust as they are not truly just; only God Himself is the True Justice in this world.

Because God is a just God and God loves justice, everyone who commits sin must be punished. Just like criminals that have been caught and have to be punished, so that justice can be upheld. God is just as God is a true God. A true God cannot accept injustice or sin. If there is sin, God's justice has to be carried out through punishing those who sin.

God's justice will also be proclaimed when God guides His children away from people who commit evil towards the children of God. But God will give justice towards God's children in the time set by God Himself.

God is Life

Jeremiah 10:10a

Have you ever thought about who gives you life? Is it the mother who gave birth to you? Or the father who earns money to provide for you? You might be surprised that it is not your parents who gave you life; only God can give life to humans, to living things. Your parents or the people who take care of you are only used by God to care for your life.

God is present in the world, hence God lives and gives life. Most importantly, the life that God gives is a life in light as written in John 1:4. "In him was life, and the life was the light of men." Let us continue to live together with God because God is life and God gives life.

The Triune God

Deuteronomy 6:4

What is the Christian God like? The Christian God — our God— is the Triune God. “Tri” meaning “three”, and “une” meaning “one”. Hence Triune means three persons and one God. Three persons are God the Father, God the Son and God the Holy Spirit; Father is God, the Son (Jesus Christ) is God and Holy Spirit is God.

The three persons in the Triune God have different tasks but have one will so that the three do not disagree with one another. Trinity is hard to understand because of sinful human minds that are limited. Additionally, Satan will prevent us from understanding and knowing the Triune God. Satan will prevent humans, prevent us from understanding the Triune God according to what is taught in the Bible.

However, we must understand and know the Triune God as the understanding of the Triune God is the foundation for salvation and an eternal life for a Christian. The Bible teaches us that the Christian God is a Triune God.

A God who Loves Humanity

John 3:16

God's love for humans is the greatest gift to mankind — eternal, unconditional, and saving. God's love is not only in words but also in real action by God who loves humans. All humans have fallen into sin and will perish, but a God who loves humans will not want humans to perish, God would want to save humans from the wages of sin. So to save humans, God sent and sacrificed His only son, Jesus Christ. God sacrificed Jesus to die on the cross to save sinners, because that is the only way we can be saved. This is the testament of God's love towards us sinners, and this is the greatest gift in the world.
